NOTE—Contn. sheet.

To

C. S. Balasundaramier, Esquire, B.A.,

Chief Secretary to the Government

of H.H. The Maharaja of Mysore,

BANGALORE.

Sir,

In enclosing herewith Proceedings of a Public Meeting held on the 15th instant, I beg to invite your kind attention to Resolution No.3, which prays Government to establish a Homoeopathic Hospital in every district Head Quarter.

It is needless for me, to give any lengthy arguments in support of the prayer, as the Government are no doubt aware of the severe loss of life, during the Influenza epidemic. The good work done by the Homoeopathic practitioners, the Ayurvedic doctors and Unani Hakkims may have come to the knowledge of Government.

Under the circumstances, every endeavour should be made to save life and relieve pain and suffering and as Homoeopathy offers cheap, easy and ready means of relieving distress, I earnestly request that Government may kindly arrange the early establishment of a Homoeopathic Hospital, to begin with, in Bangalore, and by the light of experience gained to open more hospitals at convenient centres in the Province. Provision may kindly be made in the current year's Budget itself for one hospital at least.-

I beg to remain,

Sir,

Your most obedient servant,

Ramachandra Rao

President.

Bangalore, 15th December, 1918.

2/1/19.

A meeting of the friends and admirers of Dr. K. N. Srinivasan was held this morning in the Hall of the National High School, with Mr. S. Ramachandra Swami, B. A., Cashier of the Bank of Mysore Ld., in the chair, when, among others, the following were present:-

Messrs. K.S.Thirupathi, Venkatasubbasetti of Messrs. Dandi & Co., Kotta Subbia Chetty, V. S. Sanjiva Rao, H. C. Nagesha Rao, A.S.Samba Sivier, H. Huchu Rao, G. K. Madhava Rao, B. Venkata Rao, B.S.Krishnamurthi Rao, Oletty Chintaliah Chetty, S.K.Gowd, N. Venkataramier, Venkatapathiah ~~xtxxx~~ D. Narasinga Rao, etc.

The notice calling for the meeting was read and Mr. S. Ramachendraswami was voted to the chair. He explained the object of the meeting and said he had not known before that Dr.Srinivasan had such marvellous powers of cure. Had he known it, he would have surely engaged his services to bring round his wife. When his daughter fell ill, he was perplexed and knowing then, and having heard of Dr. Srinivasan, he placed his daughter under his treatment and within 36 hours, the ~~xxxxxxx~~ fever had subsided and his daughter began to play about ~~xx xx xxxxx~~. That was certainly an achievement(Cheers) He would therefore gladly subscribe to any token of lasting gratitude, in honor of Dr. Srinivasan. He next called for suggestions.-

Mr. D. Narasinga Rao of the Silver and Gold Works, suggested that a gold medal be presented to the genial doctor and that a large supply of Homoeopathic medicines be also given to him, to enable him to continue his useful and life-saving work.

Mr. K.S.Thirupathi proposed that in addition to a gold medal, a heavy purse be presented to him, as an encouragement. Mr. Chintaliah Chetty supported the above ~~xxxxxxxx~~ speaker.-

Mr. V.S.Sanjiva Rao next suggested that permission of the Government be obtained to present the doctor with a purse and a medal, as he was a government servant. He was glad that a good gathering had assembled to express their sense of gratitude to the doctor, who had saved several lives. The proverb that "gods, doctors and women would alike be adored in pain but not after" had been --

been falsified in this case. It was usual that a doctor's bill was postponed and he was ~~sxtixxx~~ eventually forgotten when the patient recovered himself. He suggested that a subscription list might be opened and that a Committee be appointed, to give effect to the above resolutions.- The following gentlemen were appointed to form a Committee:- Messrs. S.Ramachandraswami, K.S.Thirupathi, Venkatasubbiachetty, V.S.Sanjivarao, H.C.Nagesha Rao, Sambasiva Iyer, H. Huchu Rao and G.K.Madhava Rao, with Mr. Kotta Subbiah Chetty as President and Treasurer.-

It was then resolved that the Government should be approached with a prayer for the early provisioning of Homoeopathic hospitals in Bangalore City and in every district Headquarter. The proposition was moved by Mr. V.S.Sanjiva Rao who said that in the times of influenza, western medicines were not available and in several cases were ineffective. Country Homoeopathic medicines did their work admirably in Tiptur, Koppa, Chikmagalur etc. Government should therefore give a fair opportunity for the Homoeopathic System of Medicine.

The meeting concluded with thanks to the Chairman and to the Head Master of the National High School for having allowed the use of the Hall.

It was resolved that the Proceedings be sent to Government, to the Revenue Commissioner and to the Press.-
